

Welcome to Saba's African Cuisine!

901A - 22nd Street West -- Saskatoon, SK -- 306-933-4447

Hours (Tuesday to Sunday -- 4:30pm to 10:30pm) -- Closed on Mondays

It is our sincere hope and desire that you will find here: healthy food, tasty to your palate and nutritious to your body. To that end, we will do our outmost. Saba's African Cuisine came into existence to fill a gap - the absence of a traditional African Restaurant that serves food prepared in the African way of cooking with African spices here in Saskatoon. Moreover, this restaurant will serve freshly roasted coffee, boiled in a clay pot and served in small cups, the flavor of which you will never forget.

On Sundays we serve traditional coffee...other days by booking up to seven people - \$20.00.

We serve Injera (thin, soft, flat bread made of sourdough Taff or Wheat) with every meal.
